.1	artillery or signal insignia. there were about
1	30 to 40 tents. About 80 trucks. 30 model 42 76.2-mm ZIS-3 artillery pieces, 12 model 38 122-mm field howitzers.
1	and 6 x 160-ms mortars were seen in the wooded area. (5)
(1	Comaenta.
(1	This train is believed to be identical with train which,
(1	arrived in Dobrilugk on 28 July, coming from Ohrdruf and consisting of 120 axles.
1 -	Six trains carrying
(1	anay units arrived in the area of Finsterwalde between 26 and 30 July, coming from Thuringia.
1 (2	
Κ1	hiv which returned from Wastrow where they had moved from Eisenach in early
`` {1	July, Information indicating Similar type guns in conjunction with AAA units was recoived from Frankfurt/Oder.
(1)	the Halborblick Kaserne, which is believed
(1	to quartor the 21st Gds Mecz Regt of the 8th Gds Mecz Div, was occupied
1 1 (4	by a tank battalion until early July.
	The installation is reported for the first time. A report in January 1952 indicated that a building close to the Apolda railroad station was occupied
	by 50 soldiors wearing red-bordered black opeulets and that this detail had
1	a motor webbole of the GOTG.
.1	the first belongs to the GCFC, and the accound probably belongs to the Eighth Gds Army.
(1 , (5	The tent comp is reported for the first time. Motor vehicle
	tends to indicate that the units belonged to elements of the lst Mecz liv which went from Doeberitz to the area of Luckenwalde on 31 July.
	of the area of marketwarde on or July.
